MEMORANDUM FOR THE RECORD

SUBJECT: OSI Archives Project

1. The following people met at the A&RC today to discuss the status of the OSI Archives project.

Executive Officer/OSI
C/Services Branch/OSI
A/RAO/OSI
RAO/OSI
C/A&RC
DC/A&RC
C/Archives Section/A&RC

2. It was agreed that the OSI Archives Project, which started initially in 1960 with the identification and preservation of the OSI Finished Intelligence Reports has been a tremendous success. There have been some minor difficulties with the indexing and the adding of files to the various OSI series.

3. It was decided that with minor changes in the arrangement of indexing and numbering, the project will continue and the remainder of the OSI permanent records will be added to the OSI Archives holdings during the Summer of 1972.
